About Me:

I was born in Ahmednagar, Maharashtra. I completed graduation from Pune Maharashtra. My school *Abhinav Vidyalaya* a Marathi medium school shared a boundary with the Film & Television Institute of INDIA, (FTII). Many times I used to bunk the classes and used to watch the film shoots. The filmmaking process fascinated me.

But I didn't start my career in the film industry. After working for IT for a few years I realized that the artist inside me was calling me to get into filmmaking.

With savings in my hand, I decided to quit my job and joined film school. I finished my M.A in filmmaking with direction and screenwriting specialization from Annapurna international school of film and media, Hyderabad in 2014.

Thus I started my career in film industry in 2014. I have directed Ad films for prominent brands like Big Bazaar, JEEP. Written and Directed award-winning short films. I have also written two feature film stories & screenplays.
